4 Police Matters

A local community speed watch group may be set up. If you know of or have four or five volunteers that are interested as, speeding in rural villages still appears to be a key community concern. The police will endeavour to encourage interested residents in participating in community speed watch. If any volunteers are known, please let me know. Meanwhile we have organised some speed enforcement operations in the north rural villages within July.

Visiting schools is one of our main priorities, and we will endeavour to attend the school at least once a week. We aim to attend at start/finish times, which may also help combat some of the parking issues that have been highlighted.
