011/22 Data Gathering and Digital Mapping

Cllr Luck reported that he had prepared a map of potential sites for allotments following the response to the public consultation. He noted that the Parish Online mapping system now includes energy performance certificate ratings for properties in the parish, which might be helpful in identifying households needing additional support from outside agencies.

012/22 Member and Parishioner Issues

The Clerk will visit the resident.
- b) Footbridge on footpath 238/11 off Chapel Lane - The Clerk has contacted the County Council's Bridges Officer and is awaiting a response.

013/22 The Queen's Platinum Jubilee Celebrations

The Chairman reported that there had been a good response to the appeal for volunteers on Facebook and at the Annual Parish Meeting and that a meeting will be held next week to finalise the plans. The celebrations will include a carpet of flowers in the church on Wednesday, a church service, bell ringing, unveiling of the plaque and the lighting of the beacon on Thursday, a quiz in the Crown & Mitre on Friday and a family fun day on the Recreation Ground on Sunday. There will also be a dedication event for the WI tree on the Recreation Ground. A goody bag of jubilee memorabilia will be given to children of primary school age, funded by the Brigstock & Wren's charity. The cost of the plaque on the village sign was covered by a crowdfunding campaign.

014/22 Brigstock & Wren's Charity

The Chairman reported on a meeting requested by the Trustees of the charity to discuss the process of appointing Trustees. The scheme of administration drawn up by the Charity Commission in 1992 for the administration of the charity specifies eight Trustees, to be made up of the rector of the parish church, five individuals appointed by the Parish Council and two others co-opted by the Trustees. The appointed Trustees serve a four-year term of office and may then be re-appointed. The co-opted Trustees serve a five-year term of office and may then be re-appointed. The Trustees were concerned that the Council had recently resolved to replace a serving Trustee at the end of their term of office, rather than re-appointing him. They also expressed their disappointment that they heard of this from a third party before being notified formally. The Chairman had apologised for this communication breakdown and promised to take steps to prevent a recurrence.

The Trustees wished to reduce the number of appointments made by the Parish Council and increase the number of co-opted places, however this requires the approval of the Council. Members discussed the implications of the proposal. It was felt that the Council was a more independent and accountable body. They noted that this was the first time in 30 years that any disagreement had occurred regarding an appointment. They also felt that the candidate nominated had exceptional knowledge and experience and that the charity had been strengthened by his appointment. Members resolved not to agree to the proposed change to the governing document.

015/22 Allotments

Members discussed the response to the recent consultation on the need for allotments in the village. They resolved to arrange a public meeting of interested parties. Cllr Mathias agreed to lead the meeting and Cllr Luck will assist Cllr Mathias in the consideration of potential sites.

016/22 Portfolio Responsibilities

The Chairman proposed that a separate meeting be held to discuss this.

TYDD ST GILES

Parish Council

WORKING WITH AND BEING A PART OF THE COMMUNITY

Parish Highways Report June/July 2022

Foul Anchor : No issues but some work will be needed at a later date on Bedford Row

Tydd Gote : No issues

Other Outlying Areas : No issues, although again some work will be needed at a later date

Tydd St Giles : Bees Lane, a single track road is badly crowned and large pieces of tarmac have already fallen off.

Field Avenue has large areas where the surface tarmac has come off and there is a pothole near the Fieldside View area.

Chapel Lane is in a fairly poor state and there are quantities of grit on the road which is a potential slip/skid hazard

Hockland Road has a lot of issues, particularly in the area of the junction with Kirkgate and Church Lane. The surface is uneven where the main sewer runs down the middle of the road and plenty of other surface damage. Again surplus grit is an issue both on the road and pavements. The pavements of Hockland Road and parts of High Broadgate are in a poor condition and remedial work should be undertaken.

Kirkgate there are a number of potholes on the edge of the road against the pavements.

The next inspection will take place when the potato harvest has been brought in.
